

Have an idea for a science experiment?

Want to learn more about a science topic?

Then sign up to be part of
The 7th Annual

Highland Science Fair

Friday, January 20th
6:30-8PM

Sign up Deadline: Friday, December 2nd

Students in grades **K-6** are invited to participate in the fair in one of two ways:

Exhibits: Students create a presentation on a science topic

Presentations may include (but are not limited to):

- Poster presentations
- Demonstrations
- Interactive exhibits

Experiments: Students design and execute an experiment of their choice and present their results

NOTE: Support will be provided to help select topics, plan presentations, and plan/conduct experiments
