Dental Exams

All and third graders are required to have a dental exam. Forms were sent home but if you need one, (as well as any other health forms), you can obtain it from the school district website. Go to www.Abington.k12.pa.us Go to the "Administration" drop down menu and choose "Pupil Services". Under contents, choose "forms" This will take you to forms on the right side of the page where you will see "student health and wellness forms"

Medication Administration

The nurses need written permission from both a health care provider and parent before we can administer any medication including all OTC and herbal supplements, cough drops and medicated creams. We can send a form home or you may get one as outlined above.
