

Pinecone Bird Feeder

Included Materials: pinecone, green ribbon, bird seed, plastic sandwich baggie

Other materials required: 1-2 tablespoons of peanut butter (or any type of nut butter), or Crisco, butter knife, or another way to spread the peanut butter, plastic plate or small tray, napkin or paper towel

Directions:

- 1) Attach the ribbon to the pinecone, tie a double knot

- 2) Spread peanut butter/Crisco – using your fingers or a butter knife. Make sure you stick it all over, on all sides and in the grooves of the pinecone

- 3) Roll pinecone in bird seed. This will be messy! Use your fingers to stick the birdseed into the peanut butter

- 4) Use a paper towel or napkin to wipe off the ribbon
- 5) Place your pinecone in the baggie to keep it safe!
